

**Purely Business!**

The columns of a newspaper represent a cash value. No publisher affords to give advertising "notions" free any more than a merchant can afford to give his customer free gifts of dry goods or shoes. A newspaper is a legitimate business concern, its columns are its stock in trade, and its advertisements should be paid for, no matter in what part of the paper they appear.

"The best way to get rid of a bad law is to defeat it."—General Grant.

TREASURY officials estimate that the March receipts are from two to three million dollars less than they would have been but for the business uncertainties due to the war rumors.

PRESIDENT MCKINLEY in his message tells Congress that the war in Cuba must stop, and asks that it will provide the means for stopping it. Now let's see what the windy warriors will do.

FREE-TRADE England continues to call upon Protective America for manufactures of all sorts, our January, 1898, exports to the United Kingdom being \$50,771,739 as against \$46,491,812 in January of the preceding year under the Wilson Law.

THE Mt. Sterling Gazette is now issued semi-weekly. It is a pleasure to record this evidence of prosperity. Colonel JOHN C. WOOD, the accomplished Editor, is determined that the Republicans of his domain shall have the best that brains and money can produce.

IS THERE any good reason why Richmond should have the meanest streets in Central Kentucky?—Richmond Pantograph.

None that we know of;—unless it be that she has a fellow-feeling for Mayville, which has the—well, which hasn't any streets at all.

SECRETARY LONG has fixed the penalty for desertion at five years imprisonment at hard labor. This applies to the Navy. But what's the odds; after the "cruel war is over" kind-hearted Congressmen in need of votes will have their military records corrected and a fat pension voted to every mother's son of them.

IS there a single Republican in Harrison county who is not an enthusiastic supporter of Congressman PUGH for the re-nomination he has not allowed the fact of his existence to be made known. Congressman PUGH is as right man in the right place, and as right as he continues to serve his District as faithfully as at present no one can have any well founded hopes for defeating him. The Republicans in this neck of the woods are very decided for SAMUEL J. PUGH—Cynthiana Log Cabin.

IT must be highly gratifying to Mr. PUGH and his friends to know that he has such "enthusiastic" support in Harrison county.

In 1894, Mr. PUGH got 1,277 votes in that county. Mr. HART, his Democratic opponent, receiving 1,619—a majority of 342.

In 1896, Mr. PUGH got 1,891 and Mr. THOMAS, Democrat, 2,069—a majority of 976.

If Mr. PUGH should be re-nominated in 1898 for a "third term," it is to be hoped that Harrison county's "enthusiasm" for him will not increase in the same ratio, else he will lose the county by just 1,408 votes.

# The PRICE FIGHTER

AFTER putting on all his warpaint and other fighting paraphernalia, it was too bad that Br'er Mear was taken ill right on the eve of the President's Message. However, there were lots of similar cases in '61.

In Newport a few days ago two boys were arrested on a warrant charging "cruelty to a beast." At the trial Judge BENNETT, who appeared for the boys, contended that the warrant was defective in that it charged cruelty to a beast, when a dog, he claimed, is not a beast. Were it not for the fact that the local newspaper says BENNETT is a "Judge," THE LEDGER would say that he is a Jackass.

Not even the war rumors and their depressing effect upon importations have been sufficient to prevent an increase in the receipts of the Treasury Department during the month of constant excitement just ended. The March receipts were, exclusive of the sums received from the Pacific Railroad sales, \$29,307,250, or more than 20 per cent. in excess of the receipts in the corresponding month of the history of the Wilson Law.

NO CITIZEN who reads President MCKINLEY's message on the Spanish-Cuban question can fail to realize the consequences care and wisdom with which he has studied the situation, the wisdom he has displayed in dealing with the entire question, and the injustice of the attacks which have been made upon him by those either ignorant of conditions or willing to do him an injustice for partisan purposes. If you have not read the message, it is your duty as an American citizen to do so, and no citizen who reads it can doubt that President MCKINLEY's course has been a wise and proper one.
